Project Information

Project Name or Project/ Program Title	ARRA of 2009 Strengthening Communities Fund State, Local and Tribal Government Capacity Building	Activity Codes (NAICS or NTEE-NPC) (up to 10)
Quarterly Activities/ Project Description	Capacity Building: A total of 24 agencies and 2 agency coalitions (comprised of an additional 25 agencies) have received consultation, training or one-on-one TA on PeoplePoint benefits. This quarter, 9 agencies providing homeless prevention services received intensive eligibility training on energy/utility assistance and food and medical programs. 10 agencies completed Readiness Assessments which customize training and technical assistance. As a result, five 3-hour trainings on PeoplePoint benefits were delivered to 10 community based partner agencies, who serve a range of clients from those at risk of losing their housing, to new immigrants and families who speak limited English. Consulted Early Reading First (6 agencies) and the New Citizenship Initiative (19 agencies) about partnership opportunities. Consultations with 4 CBO representatives whose agencies serve communities in which the primary language is not English to discuss how PeoplePoint will help their communities? access benefits using culturally appropriate services. Internal Capacity Building: Developed a marketing strategy targeting 60,000 households likely eligible for utility discounts. Adopted consolidated application form to serve as single point of entry for City sponsored benefits and referral to state/federal benefits. visibility and path to PeoplePoint benefits online. Consulted with Parks and Rec Department and City sponsored family centers about their role in assisting families with benefits via PPBB expansion. IT Benefit Portal: Continued negotiation with State regarding City's business requirements and transfer of data between jurisdictions. City IT and program staff focused on design of internal data store and UI software to process applications assisted by City PPBB staff, CBOs, and Seattle/King County Public Health Department as partners in implementing the portal locally.

Number of Jobs 0.00

Description of Jobs Created Federal Administration of Children and Families Strengthening Communities Fund (SCF) expressly prohibits use of grant monies for direct staff salaries because the purpose of the grant program is to increase state, local and non-profit agencies internal capacity to serve their communities most impacted by the recession. The majority of City of Seattle SCF funds will be spent on implementation of technology to launch an electronic benefits portal that will increase the number of low-income families and individuals accessing a wide range of local and state benefits programs (utility assistance, child care, food programs, etc.) Staff hours directly attributable to the PeoplePoint expansion project are supported by a required matching fund (City general fund monies) and the grantee has been instructed that these
